## INFORMATION / INSTRUCTIONS

This application is not to be used for requesting an amendment to a death record. If an amendment is required, use DH Form 433(non medical amendment) or DH 434 (medical amendment).

**AVAILABILITY:** Death registration was not required by state law until 1917; however, it was many years before we had consistent registration. While there are some records on file dating back to 1877, not all events were registered.

### **ELIGIBILITY:**

**WITHOUT CAUSE OF DEATH:** Any person of legal age (18) may be issued a certified copy of a death record without the cause of death.

**CAUSE OF DEATH INFORMATION:** Cause of Death for any record over 50 years old may be issued to any applicant. Death records less than 50 years old with the cause of death information included may only be issued to the following individuals: the decedent's spouse or parent; to the decedent's child, grandchild or sibling, if of legal age; to any person who provides a will, insurance policy or other document that demonstrates his or her interest in the estate of the decedent, or to any person who provides documentation that he or she is acting on behalf of any of the above named persons. All requests for certification of a death certificate that includes the cause of death information must state the qualifying eligibility, or a notarized Affidavit to Release Cause of Death Information (DH Form 1959), which is available upon request. If after reading the above information you are still uncertain regarding your eligibility for cause of death information, call our office (904) 359-6900 extension 9000 for assistance.

A funeral director or attorney representing an eligible person as defined above must include their professional license number, and the name and relationship of the person they are representing, if requesting cause of death. If not representing someone identified above as eligible to receive cause of death information, then a completed Affidavit to Release Cause of Death Information (DH Form 1959) must accompany this request. **SPECIAL NOTE:** Florida clerks of court will not accept a death record with "cause of death information included" when filing probate.

**DATE OF DEATH NOT KNOWN:** If date of death is unknown, the entire year specified will be searched. If you do not know the year of the event and you wish to have more than one year searched, you must specify the span of years you wish searched (Example: 1970 to present) and pay the \$2.00 per year for each additional year to be searched.

**INFORMATION NEEDED:** A search **cannot be made without the decedent's name and year of death.** If any of the other items requested in Section A on the front of this form are available, this information may be helpful to us in our search particularly when multiple records are found for common names. Please provide as much information as possible.

**PROCESSING TIME** Normal response time is 10 – 14 business days; however, the processing time can exceed this timeframe dependent upon the volume of work received and the resources available at the time your request is received.

### **OPTIONS FOR RUSH SERVICE:**

- **CREDIT CARDS:** The state office currently does not accept credit cards but there is a private firm that accepts such charges and transfers the requests to Vital Statistics for a fee of \$7.00 plus a \$10.00 Rush Fee charged by the State Office. All requests taken by this firm will be expedited in our office with a processing time exceeding that of routine processing, (usually 5-7 business days for regular mail). Certification(s) will be mailed 1<sup>st</sup> class mail UNLESS special mailing is requested and paid for at the time of your order.
